

Getting Your Pandora Account

At the top of the page you should see this. Hit register

You should see this registration page. Fill it out.

A screenshot of the Pandora registration page. The heading is 'Register for free!' followed by the subtext 'Create an account to save your stations and access Pandora anywhere.' The form includes fields for 'Your email', 'Password', 'Birth year', and 'Postal/ zip code', each with a 'Why?' link. There are checkboxes for 'Gender' (Male and Female) and a checkbox for 'I have read, understood, and agreed to the Terms of Use and the Privacy Policy'. Below these are two checked checkboxes: 'Send me personalized recommendations and tips.' and 'Remember me and keep me signed in.' At the bottom are 'Register' and 'Go back' buttons.

Then once you filled it out you can go to your email and click on the link. After that you have a Pandora account!
